

25th March 2019

Dear Parents

BIKEABILITY

On the 17th-20th June, the children in Year 4 have the exciting opportunity to take part in the nationally accredited Bikeability training scheme. It is run by professionally trained and accredited instructors and provides up-to-date training on road positioning, observational skills and how to stay safe when cycling. During these 4 days, the children will complete Level 1 (on the playground) and Level 2 (on quiet roads) during two-hour sessions during the school day. The children will need their own bikes and helmets.

The cost of this is £40.

If you would like your child to take part, please return the form below indicating that your child would like to take part by Friday 5th April. We would then require payment in full by Tuesday 30th April at the very latest. Payment must be made via your child's Scopay account. If payment is not made in full on Scopay by the date stated then unfortunately your child will not be able to take part in the course as places will only be booked once payment has been made.

Please complete the consent form below and also tick your consent on the Scopay account where indicated.

.....
I give permission for my child _____ to take part in the Bikeability course on 17th-20th June within school hours. My child will bring a bike and a helmet. I will make payment of £40.00 on my child's Scopay account by Tuesday 30th April.
